MPRINT Webinar Series: MPRINT Resources

Join us for the upcoming MPRINT Webinar on February 20, 2025, at 2:00 PM EST, where we will provide an in-depth look at MPRINT's resources, consulting services, and support opportunities for researchers.

This 60-minute session will cover key MPRINT tools, technologies, and core facilities, demonstrate how to access consulting and support services, and highlight successful use cases. Speakers include Sara Quinney (DMKRCC), Shirley Tsunado (UCSD), Prince Kannankeril (VUMC), and Emily Kinney (DMKRCC).

The webinar will also provide insights into funding opportunities and navigating MPRINT's website. A live Q&A session will follow, with all MPRINT PIs available to answer questions. Don't miss this opportunity to maximize your use of MPRINT resources!
